**Regulatory Notice:** BuyBoard contract pricing does not include bonding or insurance. Each entity must their individual projects to determine the need for bonding and insurance, including limitation such workers’ compensation insurance as may be required by state or local law. If required, it is the responsibility of each entity to obtain such bonding and confirmation of coverage, as applicable, from the vendor.

Also, each entity must assess their individual projects to determine whether the project subject to prevailing wage rate requirements under the federal Davis Bacon Act or state local law. If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process to initially consider price in the procurement of professional services covered under the Act. "Professional services” under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides governmental entity may not use an interlocal contract with a purchasing cooperative to purchase engineering or architectural services (Texas Government Code, Section 79 (h)). BuyBoard® contracts do not, and are not intended to, include professional services as a component part, and may not procure engineering or architectural services through a BuyBoard contract.
