Comprehensive Needs Assessment

Demographics

Demographics Summary

Jesse McGowen Elementary School, home of the Mavericks, is beginning its 17th year in McKinney ISD. McGowen currently serves 546 general and special education students in kindergarten through fifth grade. Our mission at McGowen Elementary focuses on providing engaging learning experiences so students can become effective communicators, quality contributors, and socially responsible citizens. McGowen Elementary staff are committed to the vision which drives the work of implementing engaging, relevant, and differentiated learning opportunities for all students. At McGowen we foster personal relationships, and provide a safe environment with challenging and engaging educational opportunities where all students feel a sense of belonging, and are valued members of our community. Our campus enrollment by ethnicity is: African American –24%, White – 58%, Asian –13%, and Hispanic 24%. The percentage of economically disadvantaged students continues to grow. This year, 37% of McGowen Elementary students are considered to be economically disadvantaged and 12% are identified as Limited English Proficient (LEP). Another 8% of our students participate in the Gifted and Talented program, and 19% receive special education. Our campus received recognition for the High Reliability School Level 1 and Level 2 Certifications for having a safe and collaborative school and effective instruction in every classroom. McGowen Elementary has a strong partnership with our parents and community, and the collaboration plays a critical role in our positive culture.

Demographics Strengths

McGowen Elementary has many programs designed to meet the needs of our diverse learning populations. Teachers and staff monitor student performance and instructional accommodations through multiple data sources. MTSS and Special Education structures and processes are in place to track, monitor and make informed decisions regarding our at-risk student populations. Our daily instructional schedule includes a thirty minute block each day for students to have intervention and extension learning opportunities.

Student Achievement

Student Achievement Summary

STAAR data, MAP data along with a variety of other data sources have been utilized in the development of this year's campus improvement plan. The data will also be reviewed in depth by the teachers to plan for instruction and interventions to meet the needs of all students. Our goal is to see that all students achieve their personal best and our teachers are committed to providing instruction that assists all students in reaching their full potential.

McGowen Elementary utilizes multiple measures, both formal and informal, to track the academic performance of all students. In 2023 STAAR results for all students who approached grade level standard or above include 83% in Reading, 79% in Math, and 77% in science. McGowen Elementary will continuously monitor academic progress in order to provide effective instruction, enrichment, and intervention to all students.

Student Achievement Strengths

McGowen Elementary is committed to overall student growth and success. Our focus will continue to be on effective instruction and collaboration which will allow teachers to provide intervention, differentiation, goal setting with students, and adjustments to instruction based on continuous multiple measures of data analysis. This focus will in turn impact closing performance gaps, projected student growth measures being met, and increasing the number of students achieving *meets* and *master's* performance on STAAR. In order to improve our academic performance for our Economically Disadvantaged and At-Risk population, McGowen's K-5 teachers will continue to integrate Restorative Practices (social and emotional curriculum) for all students.

School Culture and Climate

School Culture and Climate Summary

McGowen strives to maintain a positive school culture and climate for students and staff. Communication is shared through multiple methods in order to continuously keep parents informed and connected to the school. The school culture at McGowen is to have parents participate as partners in their child's education.

School Culture and Climate Strengths

School-wide student expectations based on character traits aligned to our comprehensive counseling model have been implemented since McGowen opened its doors. Character Counts character education program provides a framework for establishing basic values such as: trustworthiness, respect, responsibility, fairness, caring and citizenship. The culture and climate at McGowen are enhanced by multiple opportunities for students to explore various leadership and interest-based activities.

Recognition and celebrations are a valued part of the culture at McGowen. Communication is also an area of strength as evidenced by strong parent participation in school-wide functions and volunteer opportunities.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Our hiring processes at McGowen Elementary focus on employing the highest quality teachers who will provide McGowen students with a classroom environment that supports academic and social emotional learning. The McGowen Administration team believes social and emotional health of students and staff is crucial to the overall success of the campus. During the 2022-2023 school year, 100% of McGowen teachers met the MISD requirement for professional development.

Staff Quality, Recruitment, and Retention Strengths

New to McGowen teachers are provided with onboarding professional development trainings. In order to ensure retention for our new to McGowen teachers, our McGowen Instructional Focus Team provides monthly trainings aligned to MISD best practices and individual need. Professional development trainings are applicable, timely, and align to the McKinney ISD Teaching and Learning vision/mission. Data from informal and formal observations determine which MISD Model of Instruction strategies need to be spiraled in professional development opportunities. Teachers are assigned mentors and have the opportunity to participate in learning walks to observe veteran teachers at McGowen or on other MISD elementary campuses.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

McGowen staff is committed to implementing differentiated and engaging instruction to achieve excellence. Administrators will monitor classroom planning and instruction to ensure that both are aligned to the TEKS as well as the individual needs of our students.

Curriculum, Instruction, and Assessment Strengths

McGowen teachers are vital members of Professional Learning Communities that are focused on ensuring all students grow academically, socially, and emotionally. Teachers utilize multiple measures of data to differentiate instruction for all students. Curriculum is aligned to the Texas Standards and leading and lagging indicators show evidence aligned to levels 1-3 of Marzano's High Reliability Schools.

Parent and Community Engagement

Parent and Community Engagement Summary

Strong partnerships between home and school are essential for student success. In order to foster that relationship, communication between home and school is key. Each week, teachers communicate with families keeping them up to date on what is happening in the classroom. Folders containing school wide information and completed work are sent home each Tuesday. The McGowen Messenger is also sent out weekly by the principal in an effort to stay connected with parents and keep them informed about important school business. The McGowen administrative team also utilizes Facebook, Twitter and Remind to share school information and showcase school-wide events.

Parent and Community Engagement Strengths

McGowen's PTA and volunteers are a strong resource for our campus. School events such as the school dance, fall festival, family nights and open house are well attended. McGowen has a special group for dads who volunteer at school called "MAV Dads." MAV Dads assist with arrival and dismissal duties once a month, host events for kids and parents and facilitate a family movie night once each semester.

School Context and Organization

School Context and Organization Summary

McGowen Elementary has strong partnerships with the neighborhood community. Teachers, parents and students work collaboratively, enabling students to reach their highest learning potential. The McGowen administration and staff encourage parent involvement and support to help carry on the culture of high expectations and student success.

The school's namesake is Jesse McGowen. Mr. Jesse McGowen is a very important member of our school community. His fellow colleagues have described him as a gentle-giant with a sincere love of the children he teaches and counsels. His long tenure is a testament to his devotion to his profession and to McKinney ISD.

McGowen serves students in McKinney and Fairview. When students leave fifth grade at McGowen, they attend Evans Middle School and Faubion Middle School.

School Context and Organization Strengths

The environment at McGowen provides the opportunity for faculty members to function effectively, change appropriately, and grow from within. Campus structures such as vertical teams, committees, professional learning communities, etc. are well established. Multiple methods of communication are used to provide staff and parents with up to date information about school events. Parents are given an opportunity to provide feedback about their child's class placement through the use of a Student Learning Profile.

Technology

Technology Summary

McGowen utilizes a variety of technology resources to enhance instruction, increase student engagement, and develop global awareness. The Library Media Specialist (LMS) meets with grade levels and our technology committee to support students and staff with becoming digital citizens.

Technology Strengths

Technology is utilized to support our teachers and students. Digital curriculum resources allow for differentiated instructional paths for extension and interventions.
