### Select McKinney ISD

The first time you open the eSchoolPLUS Family app, you'll need to select McKinney ISD as the district. You can search for the district by name and state, by zip code, or by near your current location.

- To search by district name:
  1. Tap **District Name/State**.
  2. Enter **McKinney ISD** in District Name.
  3. Select **TX** for the state.
  4. Tap **Search**.
- To search by zip code:
  1. Tap **Enter Your Zip Code**.
  2. Enter the zip code.
  3. Tap **Search**.

Then, tap **McKinney Independent School District** to open the Login screen.

### Log into eSchoolPLUS Family App

The user name and password for Home Access Center and the eSchoolPLUS Family app are the same. If you do not have a user name and password, contact your child's campus.

1. Enter your Home Access Center user name.
2. Enter password.

## Retrieve a Forgotten Password

Use Home Access Center if you have forgotten your password. Home Access Center allows you to reset your password after answering challenge questions.

## iOS Menu Icons

The following image illustrates the menu icons that display on an iOS device:

<b>Application Menu</b>	Tap to display the options to view student information.
<b>Student Menu</b>	Tap to display a list of other students you can access. Then, tap a student name to switch who is displayed.
<b>Overflow Menu</b>	Tap to display options to change your preferences or logout.

## Select Student

If you have access to multiple students, you can quickly switch the student in view.

The student list is in different locations on iOS and Android devices.

### For iOS devices

1. Tap Student menu on right.
2. Tap student you want to display. The student's Home screen displays.

### For Android devices

1. Tap student's name to display a list of your other students.
2. Tap student you want to display. The student's Home screen displays.

## Navigate the eSchoolPLUS Family App

1. Tap application menu.
2. Tap the option to display. The list of options that follows includes all options that can be displayed on the menu, and may include options that you do not have on your menu.

	Home. Displays school news, events, and assignments for today and tomorrow. Icons display to allow quick navigation to other screens. If there are no news items, events, or assignments for today and tomorrow, two rows of icons display.
	Notifications. Displays student alerts for the student.
	Attendance. Displays student's attendance calendar.
	Calendar. Displays a calendar of the student's events and assignments.
	Classwork. Displays the student's class assignments in a week view.
	Fees. Displays the student's fees that have a balance due or credit applied.
	Progress Report. Displays the student's progress grade information.
	Report Card. Displays the student's grade information.
	Resources. Displays links to other resources that you might find helpful.
	Schedule. Displays the student's schedule.
	Preferences. Displays options to change your student alert subscriptions and email address. Also, includes an option to save your username. On Android devices, this option displays on the overflow menu instead of the application menu.
	Logout. On Android devices, this option displays on the overflow menu instead of the application menu.

### View Attendance

1. Tap  **Attendance**.
2. To move back or forward a month, use the arrow buttons above the calendar.
3. Tap a date to see attendance detail.
4. Tap **X** to close the day's attendance.

## View Event and Assignment Calendar

1. Tap  **Calendar**.
2. To move back or forward a month, use the arrow buttons above the calendar.

## Open Additional District Resources

1. Tap  **Resources**.
2. Tap link to open it in the web browser.

## Change Alert Subscriptions

Alert subscriptions can be changed from the Preferences screen of the app. Use the Receive Notification field to select subscription options for an alert. For Attendance you can limit the alert so you are only notified for specific types. For grade alerts you can specify a minimum and maximum grade to receive an alert on.

1. Tap menu on right.
2. Tap **Preferences**.
3. For an alert, select the options for your subscription. In the Receive Notification field, select **None** (to not subscribe to alert), **Push Notification**, **Both** (to receive a push notification on your mobile device and an email), or **Email**.

**Alerts - Classes**

A course average falls below  %  
or above  %  
Receive Notification **None**

---

An assignment average falls below  %  
or above  %  
Receive Notification **None**

**Alerts - Attendance**

Receive Notification **None**

**Alerts - Other**

Notify me for Interim Progress Reports **None**

Notify me for Report Cards **None**

4. On an iOS device, tap **Done**, then **Save**.

Alert subscription changes are saved immediately on Android devices. There is no save option.

## View Student Alert Notifications

Student alerts for attendance, classwork, progress report, and report card display as notifications within the app. Your subscriptions determine which alerts you will get for the student.

The Notifications option includes a badge to show the number of unread notifications.

1. From menu, tap  **Notifications**. On the Notifications screen, unread notifications display in bold text.
2. Tap a notification to view it.
3. Then:
  - To close the notification, tap Back. The notification is marked as read.
  - To delete the notification, tap Delete. Tap Delete on the *Do you really want to delete this notification?* pop-up.

Android and iOS devices display different options to close and delete a notification.

- On an Android device, use the device's Back button to close the notification. The Delete option displays as a trashcan icon at the top of the screen.
- On an iOS device, **Back** and **Delete** buttons display as options on the screen.

## Change Email

The email address for guardians can be updated from the eSchoolPLUS Family app.

The option to change the email address is in different locations on iOS and Android devices.

### For iOS devices

1. Tap application menu.
2. Tap  **Preferences** option.
3. Tap email address.
4. Change the email address.
