Dear Parent(s);

Thank you for your recent application to MISD Childcare programs. The McKinney ISD and Texas Department of Family and Protective Services requires that we follow up on any child allergies. Upon receipt of your child's registration, it was noticed that your child has a food allergy. Because allergies can be serious and potentially life threatening, we have attached a copy of the district's **Individualized Health Plan - Life Threatening Allergy** form. The form must be completed and signed by a physician including a plan of how allergies and symptoms should be addressed.

It is important for your child's safety that we have the proper authorizations in order to respond to an emergency. We must have these completed forms before the child can begin any childcare program (Club 360, Holiday Care, Club 360 Summer, or Preschool). We will always follow the emergency plan as prescribed by the doctor. If 911 is called, it is at the parent's expense.

We appreciate your help in providing these required documents which are so important to providing the best care for your child.

If you have questions, you are encouraged to call:

- *Julie Blankenship- MISD Director of Health Services - 469-302-4151
- *Lorie Harvey – Childcare Programs (Club 360/Holiday Care/Summer) – 469-302-2304
