Diabetes -Supplies Outside of the Clinic

In an effort to encourage the safe and effective use of diabetes management supplies and medications by students, McKinney ISD Health Services has prepared this list of rules. Any student wishing to keep his/her diabetic management supplies/medications in his/her possession during school hours and activities must agree to follow these rules.

Parent to initial one of the choices below:

My child will have supplies in the classroom but can't self treat per the IHP on file in the clinic and requires assistance.

OR

My child will carry supplies and self treat per the IHP on file in the clinic.

1. A Diabetic Management & Treatment Plan signed by a physician and the McKinney Individual Health Plan (IHP/HCIS) signed by a parent/guardian must be on file in the school clinic.
2. The physician's orders on file in the MISD clinic MUST state the level the student may carry and self treat.
3. The diabetic supplies and medications must be labeled with the student's first and last names.
4. The student must demonstrate for the school nurse the proper use of his/her diabetic supplies and medications.
