Childcare Programs Club 360 Overview of Policies

TUITION: **All tuition and fees are due by the 1st school day of each month.** A late fee of \$25.00 will be assessed if not paid on the 1st school day of each month. Accounts not paid in full by the 5th school day will be DROPPED. In order to return, the full amount is due including all fees and a new family membership fee of \$75.00 is required. All families are required to pay tuition and fees before their child can start Club 360. You are allowed to switch plans once a school year.

LATE PICK-UP FEES: All children should be picked up by the designated closing time. Should you anticipate you cannot meet this deadline, please call and let the site supervisor or manager know as soon as possible. Late fees will be assessed at \$1.00 per minute **beginning at closing time**. All fees are due on the next day the child returns to the program. You are welcome to pay these fees by check or online. The campus manager has no cash on hand for change; so exact fees are appreciated. Credits on your account cannot be used to pay late pick up fees. Credits can be used toward tuition only. Consecutive and or excessive late pick-ups of 3 or more times could result in additional fees of \$5.00 per minute, or being dropped from enrollment.

WITHDRAWAL: In order to withdraw a student from Club 360 a 24 hour written notice is required. Any consideration for refunds or credits for days not used will be based on the 24 hour written notice. This can be given to the Club 360 site staff at your Club 360 campus, or emailed to the Child Care Programs office.
