

McKinney ISD - JROTC Student Transfer Petition Form

A petition for transfer is defined as a parental request for a student to attend a campus other than the one the student is zoned to attend. All parents wishing to transfer their student(s) to another school must complete a petition form. All information must be completed.

Transfer Petition Forms for the JROTC Program are accepted through May 21, 2021.

Upon approval, the transfer request does not need to be resubmitted for subsequent years as long as the student remains in the program. The JROTC program runs the length of the school year. Leaving before the last day of school would require the student to return to the zoned campus.
