

Good Morning,

We hope everyone is well and returning to their usual activities after the storm last week.

In lieu of our January meeting which was cancelled due to COVID protocols, Aramark has provided us with their [Power Point presentation for our review](#).

There is no need to 'vote' or respond. This is for your information only. If you want a smile and a feel-good moment, take a look at what our food service team did this past year.

However, should you have a question, please let me know so that I can get you the answer ☺

As always we thank Aramark for all they do. MISD is very lucky to have this team providing nutrition and meals to all our students.

Thank you Team Aramark!!
