McKinney ISD
School Health
Advisory Council/Safe
& Drug Free
Schools/Wellness
Committee
*Is seeking new
members!***

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement. In McKinney ISD the Safe & Drug Free Schools Committee and Wellness Committee are part of the SHAC.

The SHAC meets at 6:30 pm approximately 4 times during the school year.

If you are interested in serving on the SHAC, please complete the application below and email or fax it to:
