AMENDMENT(s)

The District proposes exemptions in the following areas:

Removal of Unruly Visitors

{TEC §37.105 and GKA(LEGAL)}

Texas Education Code §37.105, applies to rejecting unruly visitors from campuses and school events. In 2017, the Texas Legislature changed the law on how school administrators can eject unruly guests from school events. This applies to parents and community members, not students. Under the law, the guest must be given a warning before he or she is ejected. Upon ejection, the guest must also be given notice of how he/she can appeal the ejection. This new amendment seeks to allow designated staff members the authority to remove parents or visitors whose behavior is deemed inappropriate without warning or written notice.
