During the applicable period of voting at designated polling sites, signs no larger than 24 inches by 24 inches (or four square feet) may be placed and/or posted on District property. Placement and/or posting of signs is restricted to the primary driving entrances of the property and areas where voters will enter the polling locations or such other locations as the District may designate. Larger signs and other material such as cards, posters, and other similar material shall not be posted or placed on any District property, including sites designated as polling places. If signs are posted in areas that are deemed to make arrival or dismissal of students unsafe, either candidate shall be requested to remove only those signs considered a safety hazard or, without notice to the candidate, the District shall be authorized to remove only those signs considered a safety hazard.
