Dear Parent/ Guardian,

Thank you for choosing to enroll your student in the McKinney ISD Preschool Program. We are dedicated to providing your student with the best care, along with quality educational programs where your child can learn, grow, and thrive.

Our goal is for you to have peace of mind, knowing your student is in a loving, nurturing environment while preparing them for kindergarten.

We are excited about being a part of McKinney ISD and being able to give this opportunity to parents. Our handbook will provide you with information regarding staff, programming, payments, policies, and much more. Please take a moment to read through it carefully, as we know your student's experience in our program is important to you.

At any time, throughout the year, if you have any questions, please do not hesitate to call our main office at 469-302-2300 or e-mail me at [adawson@mckinneyisd.net](mailto:adawson@mckinneyisd.net).

Sincerely,

Amy Dawson  
Director of Childcare Programs  
[adawson@mckinneyisd.net](mailto:adawson@mckinneyisd.net)

## [Program Overview](#)

MISD Preschools are fee-based programs located at McKinney ISD Campuses. The programs begin at 6:30 a.m. and operates until 6:30 p.m. The program operates from August through May and offers before and after school care. The preschool class hours are 7:30 am-2:30 pm. The program begins 08/08/2024. MISD Preschool Programs are offered at Bennett Elementary and Malvern Elementary. Each center is led by a certified teacher and highly qualified staff. MISD Preschools offer care to students 24 months and older by 09/1/2024.

## [Allergies \(food\)](#)

The Department of Health and Human Services requires that any student with a diagnosed food allergy have a Food Allergy Plan signed by their doctor. Students who do not have a Food Allergy Plan on file will not be allowed to attend MISD Preschools. Please plan ahead and get these prior to the 1<sup>st</sup> day of attendance.

## [MISD Individualized Health Plan - Life Threatening Allergy](#)

## [Arrival](#)

We will offer curbside drop off. A staff member will be outside until 7:30 to help get children out of the car. If you are dropping off after 7:30, please park in the parking lot and walk your student up to the door. Students are not to be sent to the door without a parent.

Parents are allowed to visit the program at any time to observe their student, the operation and/or the activities. Parents must sign in as a visitor and put on a badge. It is not recommended for parents to linger in the program as it may hinder the independence and growth of their student and disturb the routine/learning of the other students in the classroom.

In the event a parent works at the same school as the MISD Preschool, he/she is not allowed to use a school key to enter the room. They must knock/buzz in and be identified prior to entering. Visits should be kept at a minimum as our days are scheduled and your visit may interrupt the flow of the day and the learning environment of all students in the classroom. To speak with the Preschool Supervisor/Teacher, please call or email and schedule an appointment.

If parents wish to have lunch with their student, they must inform the preschool staff by 9:00 a.m. They will be asked to sit with their student at a separate table for security reasons.

## [Attendance](#)

If your student will not be attending MISD Preschools because of a scheduled appointment, vacation or other planned absence, please notify the staff in advance. Although it is not recommended for a student to be picked up by a sibling who is a minor, we recognize this may be the only option for parents. The minor sibling must be listed as an authorized pickup and bring their school identification for verification.

## [Bathroom](#)

During the early years, there are many transitions regarding bathroom use and personal needs. Our staff are trained to be sensitive to these needs and utilize consistent methods. If your student is not yet potty-trained, the staff will continue to emphasize these skills at school. We ask that you send any needed personal supplies daily (wet wipes, disposable diapers, pull-ups, etc.). We do not permit the use of cloth diapers in our preschool programs. Parents will receive a daily summary, via Tadpoles App, informing them of their child's bathroom habits.

In the event a student is turning 3 and is not yet potty-trained, the teacher may ask to meet with the parent to put a specific plan into place for the student to obtain this life skill.

### **Birthdays/Holidays (Preschool aged students)**

Birthdays are special times for our students, and we want to help you make them memorable. You are welcome to bring in a treat for the class. Please inform a teacher in advance with the type of treat so that the staff can make accommodations regarding allergies. All treats must be store bought and in the original package.

If you send invitations or party favors, please send one for each student. For confidentiality reasons, we are not allowed to let parents go into a student's cubby/backpack and place invitations personally. Staff will make sure to distribute them for you.

### **Bulletin Board/General Information**

The following items will be available for parents and staff during regular hours of operation. They will be located on a table near the front office.

- (1) License issued by TX HHS.
- (2) The letter or form from the most recent Licensing inspection or investigation.
- (3) The Licensing notice *Keeping Children Safe*.
- (4) Emergency and evacuation relocation plans.
- (5) Licensing *Notice of Availability for Review of*:
  - (A) The most recent fire inspection report, if applicable.
  - (B) The most recent sanitation inspection report, if applicable.
  - (C) The most recent gas inspection report, if applicable; and
  - (D) The applicable Licensing Minimum Standards.
- (6) Telephone numbers specified in §744.405 of this title and
- (7) Any other Licensing notices with specific instructions to post the notice.

### **Cancellation**

The MISD Preschools require a **two-week advance, written notice via email** in the event your student is withdrawing from the program. The notice must be given to the Office of Childcare Programs and the Preschool Supervisor. If notice is given after a student has withdrawn, full tuition will be charged for the month.

### **Changes in Policy**

If a policy of MISD Preschools changes, we will make every effort to notify the parents in writing prior to the change.

### **Communication**

Communication with parents/guardians is important to the development of a student. During the year, teachers may ask for a parent conference to review the development checklists and progress of their student.

In addition, we welcome your feedback and input. All questions and concerns regarding MISD Preschools should be addressed with the Preschool Supervisor or the Employee Childcare Coordinator. Please do not contact the campus staff or principal, as the program is managed separately from the campus.

The MISD Preschools are licensed and governed by the Minimum Standard Rules for Licensed Childcare Centers by the Texas Department of Health and Human Services. All MISD Childcare Programs are operated by MISD; therefore, MISD Childcare Programs are also governed by the regulations of the Texas Educational Agency.

The MISD Preschools have a direct line to speak with staff. Please note, the line may not be answered immediately, as the program on site does not have a receptionist and caring for students is our top priority. In the event of an emergency, you may also use the main Childcare Programs office number at 469-302-2300.

If you leave a message at the program, the staff will return calls during their “planning hours” (i.e. nap time). Student absences from the MISD Preschools are not considered an emergency and may be reported by leaving a message on the program line.

### **Curriculum and “Kindergarten Readiness”**

MISD Childcare staff use a curriculum that is appropriate for preschool students. The curriculum is based upon the HHS Minimum Standards, Pre- Kindergarten Curriculum Guidelines and MISD guidelines. It is our goal to have each student learning to his or her highest potential and have lessons individualized as much as possible. Parents will receive updates periodically throughout the year on their student’s developmental levels and skills. Parents may request a meeting with the Preschool Supervisor/Teacher to discuss school issues at any time.

### **Child Abuse and Neglect**

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS). Any District employee, agent, or contractor has an additional legal obligation to submit the oral or written report within 48 hours of learning of the facts giving rise to the Abuse and Neglect.

MISD Preschool Staff are trained in recognizing and reporting child abuse and neglect. This reporting is required by law should the staff have cause to believe that a child’s physical or mental health or welfare has been adversely affected by abuse, neglect, or is a victim of indecency with a child by any person. The call is typically made immediately but must be made no later than 48 hours after the hour the staff first suspects that the child has been or may be abused or neglected or is a victim of indecency with a child.

*Parent trainings are available to help recognize and report child abuse and neglect. Information on this topic is available at each site. Contact the Preschool Supervisor for details ([www.txabusehotline.org](http://www.txabusehotline.org)).*

### **Discipline and Guidance Practices**

MISD staff members are trained in positive strategies for preventing and managing inappropriate behavior. In addition, staff are trained to communicate with parents/guardians regarding behavior. Internal documentation is kept on severe behavior incidents.

Should a concern arise regarding a student’s behavior/needs, parents will be contacted to discuss/review the situation. Staff will utilize a variety of appropriate interventions to address the inappropriate behavior.

If inappropriate behavior continues, or if a student's behavior becomes unsafe for him/herself or others, he/she may be suspended temporarily or permanently from membership. **Fighting, hitting, biting or elopement will result in suspension.**

In the event a parent is contacted to come and pick up his/her student due to behavioral concerns, the parent must make arrangements to come to the program within the hour, as we do not have "in-school suspension" areas or staff to provide a one-on-one ratio.

Temporary suspension may be from 1 to 3 days of the regular program. When a student is suspended, parents will be contacted to pick the student up from the program. A student who is suspended from MISD Preschools may not come to the program on the days he/she is suspended, and parents must make other arrangements for care. Refunds are not given for days missed due to suspension.

A meeting with the Preschool Supervisor or Employee Childcare Coordinator will be held to determine dismissal from the program. In addition, if a student's needs are greater than can be met in a staff to student ratio of daycare licensing standards, MISD Childcare may not be a suitable option for care.

### **Dress Code**

Students are expected to conform to the MISD student dress code.

### [McKinney ISD Student Dress Code](#)

Students must wear **Tennis Shoes** at all times (In the event your student is wearing sandals, clogs, cowboy boots, or other shoes that are not deemed safe for gym games/outdoor play, your student may not be allowed to participate). Students must wear shorts under skirts. Students may not wear necklaces. (TX HHS Regulation)

### **Drills**

Emergency drills will be conducted which include Fire, Tornado and Lock Down. Drills will be handled using the same procedures as MISD schools.

### **Emergencies**

In the event of an emergency that requires assistance from the local fire or police department, a MISD staff member will immediately contact 911 to report the emergency. All staff are responsible for assisting and transporting all students safely out of the building in case of emergency. Students with special needs or disabilities will be assisted out of any MISD building and into safety according to their specific needs.

Once the group of students has arrived at the designated meeting location, the staff will take attendance to ensure that all students are present. During any evacuation, a staff member will collect a portable laptop or printed student records and carry it with them. This will enable staff to have access to all student records for the duration of the evacuation/relocation.

In the event the students must be evacuated/relocated from the campus, the students will be moved to an alternate location (disclosed by MISD Safety and Security). The staff will have a record of students in attendance for the day. Emergency communication with local authorities, parents and HHS Childcare Regulation will be initiated by the Childcare Programs office. In the event of an emergency, you may contact the Childcare Programs office at 469-302-2300.

Students will be released to parents or authorized pick-ups according to direction from MISD Administration, MISD Security and/or McKinney Police Department.

### **Enrollment (based on student's age on Sept 1)**

MISD Preschool enrollment/placement is based on the age of each student on September 1<sup>st</sup>. This standard allows an efficient transition from our programs into kindergarten. It is the responsibility of the enrolling parent to update their account should any changes occur in phone/work/or other information including updates in immunization records.

### **Fire Lanes**

Parents must not park in the fire lanes, as it is against the law. They are to use the designated parking space for childcare. Parking in the fire lanes may result in your car being ticketed and we cannot be held responsible for any fines incurred.

### **Gang Free Zone / Gun Free Zone**

A gang free zone is a designated area around every school in McKinney ISD where prohibited gang related activity is subject to increased penalty under Texas law. The gang free zone is 1000-foot perimeter around MISD property. The Gang Free Zone is communicated to parents during the registration process, perimeter signs, and handbook. All MISD Schools and properties are also designated as "Gun Free Zones".

### **Head Injury Report**

Injuries to the head are taken very seriously. In the event a student receives an injury to the head during the program, the student will be examined closely for signs of complications. Any signs of dizziness, headaches, nausea, staggering, difficulty breathing, or extreme drowsiness will be addressed immediately. Staff will contact parents to make them aware of the situation and complete a Head Injury Report.

### **Head Lice (Pediculosis)**

If it is determined that your student has Head Lice (Pediculosis), you must follow the guidelines listed below.

1. Student must be picked up and remain home for the next full school day.
2. Parent must provide proof of treatment given.
3. Nurse must check student before they are readmitted.
4. Staff will send the MISD Lice Fact Sheet to all parents.

### **Illness Exclusion Criteria**

MISD Preschools recognize that a student's health/immunization information must be kept current along with the enrollment forms and the MISD Health Form. Parents are also asked to include allergies, special diets, and/or emergency health information per the MISD Health Form located on the MISD website. Currently, the MISD Preschools do not offer health checks for enrolled students.

Parents may be called in the event a student becomes sick and is not able to participate in our regularly scheduled activities. A student who becomes ill will be separated and the parent will be contacted immediately to pick up. Students need to be picked up within the hour.

The following is a list of symptoms that prohibits a student from being at the center:

1. An illness that prevents the student from participating comfortably in the child-care center activities including outdoor play.
2. An illness that results in a greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other students in care.
3. A health-care professional has diagnosed the student with a communicable disease, and the student does not have medical documentation to indicate that the student is no longer contagious.
4. Any reason deemed necessary by the school for the safety of students and staff.
5. A student with any of the following symptoms must be excluded from school until such time as the student is symptom free for 24 hours:
  - a. Vomiting or diarrhea. Students must remain home the next school day. They may return when they are 24 hours symptom free without the use of medication to control the symptoms.
  - b. Temperature of **100.0** or greater. Students must remain home the next school day. They may return when they are 24 hours symptom free without the use of fever reducing medications such as Tylenol/Motrin/Advil.
  - c. Any undiagnosed rash. Students can return only with a doctor's note (stating that the student is no longer contagious).
  - d. A rash with fever is an automatic exclusion. The student must stay home for the next school day. They must be fever free for 24 hours before returning without the use of fever reducing medication and must have a note from the doctor stating that they are no longer contagious.
  - e. For any infection, antibiotics must be taken for a minimum of 24 hours prior to re-admittance to school
  - f. Lice (Please see Lice Policy)
  - g. Hand Foot and Mouth; students may return when the blisters are dried up and the student has been fever free for 24 hours.
  - h. Undiagnosed scaly patches on the body or scalp. Can return with a doctor's note stating that they are not contagious.
  - i. Red, draining eyes or discharge from the eye
  - j. Intense itching with signs and symptoms of secondary infection
  - k. Open, draining lesions or wounds
  - l. Jaundice
  - m. Pain and/or swelling at angle of jaw
  - n. Discharge from the eyes/ears or profuse nasal discharge
  - o. Symptoms of possible communicable disease such as lethargy, abnormal breathing, mouth sores with drooling, sore throat, headache, profuse nasal discharge, discharge from the ears, abdominal pain, behavior changes or other signs that the student may be severely ill.
  - p. Students who have been admitted to a hospital or urgent care for treatment should email the preschool supervisor with a doctor's release noting they are allowed to return to school prior to coming to school.
  - q. Students who have been under anesthesia for any reason must stay home a minimum of the full next school day.
  - r. Students who have taken any form of laxative must stay home until the symptoms have subsided.

When a student is sent home for an illness, the parent must notify the staff with a diagnosis and email a doctor's note to the Preschool Supervisor prior to their return. If the student's illness does not require a doctor's visit, the parent should send an e-mail to the Preschool Supervisor indicating that the student has been symptom free for 24 hours and is able to return to school and participate in all activities.

*In the event of a medical emergency requiring 911, parents will be contacted along with school officials. A staff will remain with the student until the parent arrives. Enrollment information on the student will be made available to the medical personnel treating the student.*

Preschool staff are trained in administering medication, First Aid/CPR, and defibrillator use. All staff are trained in procedures for handling incidents and monthly drills are conducted in fire, tornado and lockdowns.

### **Immunizations**

Each student enrolled or admitted to a childcare center must meet applicable immunization requirements specified by the Texas Department of Health Immunization Requirements in Texas Elementary and Secondary Schools and Institutions of Higher Education and appropriate immunization and health records must be received prior to the first day of the program.

### **Inclement Weather/Emergencies**

In the case of inclement weather and McKinney ISD closes, MISD Preschools will also be closed. In the event of a school delay, the program will be delayed for the same amount of time the district is delayed. For example: if the schools are delayed for two hours, the preschool/ will open at 8:30 a.m. Please Note: MISD Childcare Programs will not credit for school days closed due to inclement weather.

If the weather begins to worsen throughout the day and road conditions are poor, we ask that you try to pick up your student up as soon as possible. This will allow our staff to also get home safely before the conditions are not suitable for driving. When outside temperatures exceed 95° Fahrenheit, outdoor activities may be limited to 10 minutes or less. In addition, students will not be allowed outside during high humidity days or when Heat Alerts/Advisories, Ozone/Smog Alerts are in effect for the city of McKinney.

When outside temperatures and or wind-chill factors are at or below freezing (32° Fahrenheit), students will not be allowed outside. Please make sure that your student has a change of clothes appropriate for the weather/change of seasons.

### **Late Pick Up**

Late fees will be assessed at \$1.00 per minute beginning at closing time. Late pick up fees are due on the next day the student returns to the program. You are welcome to pay these fees online via Eleyo. The staff do not have cash on hand for change, so exact fees are appreciated. Credits on your account cannot be used to pay late pick up fees. Credits can be used toward tuition only. Consecutive and or excessive late pickups of 3 or more could result in being dropped from enrollment.

### **Licensing Guidelines**

The MISD Preschool is licensed by the Texas Department of Health and Human Services. Each location has a posted license and follows the requirements set forth in the Minimum Standards for Childcare Centers. At any time, you may ask the program staff to review the most recent Licensing Inspection Report or a copy of the Minimum Standards.

## Meals and Snacks

ARAMARK is McKinney ISD's food service provider. ARAMARK offers breakfast and lunch meal programs, after-school snacks, catering, nutrition education, and retail design and operations. Under the direction of the food service professionals with ARAMARK, McKinney ISD can focus on providing an excellent education to students, while ARAMARK ensures that the district follows all federal and state regulations. The ARAMARK team is devoted to helping students flourish!

Lunch/Snacks/Drinks are provided, and the cost is included in your tuition - for students that are developmentally ready and willing to eat table foods. Our menu is required to meet the Minimum Standard Rules for Licensed Childcare Centers. Parents also have the option of packing their own food/lunch for their student each day. Unfortunately, regulations prohibit MISD Childcare Staff from storing snacks/lunches in the refrigerator. Staff are also prohibited from heating snacks/lunches.

In the event your student has specific nutritional needs or allergies, please indicate them during the registration process. We will do our best to accommodate your student's special diet, although; will need a doctor's statement on file. In the event a student's special diet requires an item that is not normally served at school cafeterias, the parents will be asked to provide the item. Please recognize that the MISD Preschools are not responsible for the packed lunches' nutritional value or for the lunch meeting the student's daily food needs.

\*\*Please see the attached MISD information sheet regarding Life Threatening Allergies including our Policy of Being a Peanut and Nut Free Zone. \*\*

## [Life Threatening Allergies - Health Plan](#)

## Medication

MISD Childcare Staff does not administer fever reducing medications such as Tylenol and Motrin. Students can't be admitted into the program that are taking medication to reduce fever, nor can parents give fever reducing medication at the center. If these medications are needed, the student should stay home. Giving fever reducing medications such as Tylenol/Motrin/Advil to "keep fever away" is against policy. Fever is a sign of infection, which likely means the student is contagious, and may be spreading illness to others.

MISD Preschool Staff will not administer breathing treatments or inhalers to students under the age of 3. Students over the age of 3 will be determined on a case-by-case basis by the Preschool Supervisor/Teacher and the MISD Health Department.

Other medications, such as antibiotics, will be given if needed during preschool hours, provided we have documentation from the doctor with instructions for dispensing. Medications must be in their original container.

Parents with students who have medications must complete an “Authorization for Dispensing Medication Form” prior to the student attending the program. The health plan and the pharmaceutical label must match.

### Medication - Over the counter

### Medication - Prescription

MISD has a no tolerance policy regarding possession of medication of any kind at any time (prescription or non-prescription). All medications administered at MISD Preschools must be brought in the original container with our medication administration form completed and discussed with the Preschool Supervisor.

We recognize that at times students will get minor scrapes, bruises, etc. during our program. To address this issue, the program is equipped with first aid supplies. MISD Preschools have access to campus nurses for emergencies only and only for the hours the nurses are required to be there (8:00 am - 3:00 pm). All medications will be administered by a MISD Preschool Staff.

### Naptime

State licensing guidelines requires a supervised rest or sleep period to be provided after the noon meal.

Parents are asked to provide 1 small blanket for their student. They may also bring a travel size pillow and 1 quiet item that is not bigger than a loaf of bread. Cots will be provided for all students. The cots are student specific and labeled, to ensure each student remains on his/her assigned cot. The sheets are washed weekly unless it is necessary to wash sooner. Nap items may be kept in the student’s cubby, although we ask that you take them home on Fridays for washing.

Please label all items sent with your student with first and last name, as we want to ensure they are kept separate.

In the event a student is not sleepy or is “growing” out of a nap, we are required to have them rest for at least one hour or an age-appropriate rest. After this initial hour, if he/she is not sleeping they will be given an alternative quiet activity. We do ask that parents talk with their student about this needed rest time and how rest is important for their growing bodies.

### Parent Concerns

MISD Childcare Programs welcomes your feedback and input. All questions and concerns regarding the program can be addressed with the Preschool Supervisor or the Employee Childcare Coordinator (469-302-2300). The program has direct lines to speak with staff. These phones are only answered during MISD Preschool hours, although **messages may be left at any time**. Parents are encouraged to use this line.

### Parent Notifications

Parents will be notified after one or more of the following circumstances regarding their student:

- (1) Is injured and the injury requires medical attention by a healthcare professional.
- (2) Has a sign or symptom requiring exclusion (see Illness Exclusion Criteria)
- (3) Has been involved in any situation that placed the student at risk.

(4) Has been involved in any situation that renders the operation unsafe, such as a fire, flood, or damage to the operation because of severe weather.

(a) MISD Preschool Staff will notify the parent of less serious injuries when the parent picks the student up from the operation. Less serious injuries include, but are not limited to, minor cuts, scratches, and contusions requiring first-aid treatment by employees.

(b) MISD Preschool Staff will notify all parents of students in the operation in writing and within 48 hours of becoming aware that a student in our care or an employee has contracted a communicable disease deemed notifiable by the Department of State Health Services as specified in 25 TAC Chapter 97, Subchapter A

(c) MISD Preschool Staff will provide written notice within 48 hours to the parents of all students in a group when there is an outbreak of lice or other infestation in the group. The staff will send an individual note to each parent.

### Payments

All tuition and fees are due by the 1st school day of each month. A late fee of \$25.00 will be assessed if not paid on the 1st school day of each month. Payments are to be made through your Eleyo account. If you are needing to pay by cash, check, or money order, please contact the Childcare Programs Office.

\* Please Note: MISD Childcare Programs will not credit or refund for any days closed due to inclement weather, for illness or days missed

### Personal Belongings to Bring

Change of Clothes, extra pair of shoes	YES
Bathroom Items (pull-ups, /diapers, wipes, etc.)	YES
Sleep Toy/Blanket (smaller than loaf of bread)	YES
Bottles/Sippy Cups	NO
Pacifiers	YES (only for nap time)
Water Bottles (must be labeled with first and last name)	YES

Each student will have a designated cubby/ locker to keep personal items. Although MISD staff attempt to help students stay organized, the program cannot be responsible for lost personal property. Students are discouraged from bringing personal toys, games, or other items not necessary for program activities. In the event a student brings a personal item, and it becomes a distraction, the item will be taken up by the staff on duty and returned to the parent at a later date.

During certain times of the year, parents may want to send in sunscreen and/or diaper cream. The sunscreen and diaper cream must be clearly labeled for your student and an MISD Medication Administration form will need to be completed by the parent.

Parents are asked to send students in comfortable clothing - as our activities will have a lot of movement and fun. Please make sure students are not sent in their best attire, as at times, art supplies may include paint. Staff will do their best to ensure clothing is protected from program supplies.

### **Release of Students**

During the registration process parents will be able to designate who is able to pick up their student. In the case of shared custody or visitation rights, we must have a copy of the court document to determine who can add/change information. Staff will not allow a student to leave with a person who has not been given parental permission.

In the event a person not listed arrives to pick up a student, we will call the parent listed. Students will not be released to a parent or an authorized pick-up smelling of alcohol/intoxicated. All persons allowed to pick up the student must be listed on the child's account, along with identification numbers (i.e., Driver's license) - this includes parents. All doors are secure and authorized persons will need to knock/"buzz" in and must present picture identification (driver's license or similar) to pick up their student. Authorized persons must sign the student out before leaving using the Eleyo system.

### **Sign-Out/ Student Pick-up**

Parents are required to walk into the building and sign their student out daily in the Eleyo system. Please bring your identification to verify authorize pick up until staff are familiar with all families.

### **Vision and Hearing Screening**

First time enrollees who are four years of age or older and all students enrolled in programs who are four years of age by September 1 of each year will be screened for possible vision and hearing problems. This screening will occur prior to the end of semester or within 120 calendar days of enrollment, whichever is longest. A licensed or certified screener or a health care professional must conduct the screening; typically, it is the campus nurse.

### **Visitors**

If a parent would like to visit the program, meet with a staff, or observe the program, they must sign-in as a visitor. A staff member will escort and accompany the parent visitor. Parents have the right to visit the program, if they are not interacting with other students and participating in the program as a volunteer. In addition, visitors must not engage in any activity that would make them appear to be a district representative. Prior appointments/arrangements are greatly appreciated.

### **Volunteers - Parents**

We hope you choose to join us in the center as appropriate for parties and events. We know the students love to have their parents visit at special times. In order to utilize parents as a support to the program, teachers may ask parents to sign up and donate items for the events (i.e., plates, decorations, cups, etc.).

Parents can sign up to share their talents at the time of enrollment. Other ways parents may be asked to get involved include participating in party activities, sending treats made with a student, participating in open house/art events, presenting as a special guest, and much more.

Volunteers for the program are required to sign up through the MISD website to have a background check conducted, even if they are already a regular MISD employee. This policy is like any other MISD campus. In addition, volunteers will need to fulfill requirements for volunteering as set per our state licensing agency.

### **Holiday Care**

MISD Preschool will be open on certain days that school is closed (refer to calendar). The hours of operation are 6:30-6:30. Parents will be required to send the morning snack, lunch, and afternoon snack on these days. Parents are not required to sign up for these days, they are included with your tuition so it is no additional cost.
