Foundation **ZAPS**
FOCUSED TEST PREP

LEFT TO SIGN UP!

According to testing giants ACT and SAT, most high school graduates *don't score high enough* on college entrance exams to be considered "ready" for their freshman college classes.

Now more than ever, parents are being encouraged to help their children improve study and test-taking skills – starting as early as middle school.

We can help your student prepare – and help them improve their test performance. It starts with a one-time, five-hour seminar that's *proven to be effective*. Most students notice impressive test-score increases after the session.

A Doorway to College Foundation session is headed to your school. Get your student signed up! Then check out the other resources
